

Freeman Public Schools Meal Information during Closure

Freeman Public Schools will provide free meals for Freeman students during the closure. We will make available a breakfast and a lunch for every regular school day that will be available for pickup once a week. For a five-day school week, this would include five breakfasts and five lunches per student. Families can choose to pick up their meals on either **Tuesday from 8am to 10am or Thursdays from 2pm to 4pm**. If neither of these times will work for you and you would like to participate, please email me at vosterhaus@freemanschools.net so we can make an arrangement to help you out. We will start this Thursday with a pick up time from 2pm to 4pm. Pull up to the west doors during these times and someone will come out to your car. Tell the person the name of the students that you are picking up for and they will bring the food out to you.

Just like Freeman provides breakfast and lunch for students during the school year, we look forward to providing these meals during these difficult times. If you have any questions, please email me at vosterhaus@freemanschools.net.
